Experience

ATLANTA, GEORGIA   MAY 2017 – AUGUST 2017

Westat / Software Development Intern

- Implemented new features and fixed existing issues with large-scale ASP.NET applications, databases, and Xamarin mobile application

ATLANTA, GEORGIA   MAY 2016 – AUGUST 2016

Star2Star Communications / Software Development Intern

- Developed a web application for companies to handle promotional materials while monitoring store compliance. Promotional data is distributed, store employees perform related tasks, and, lastly, image recognition provides accuracy checks while other data is not only analyzed but also succinctly visualized

---
